**By being out there,  
every where**

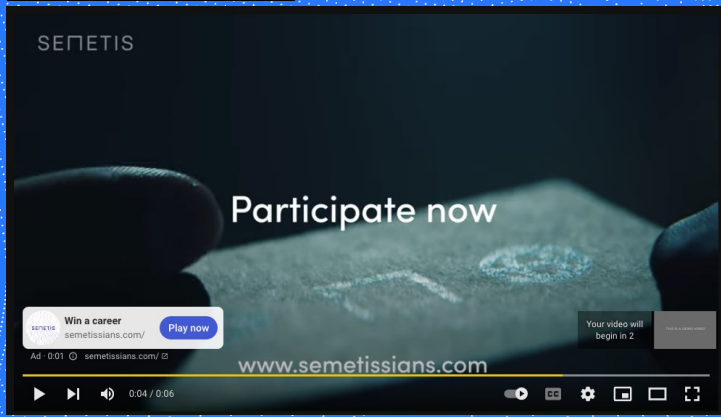

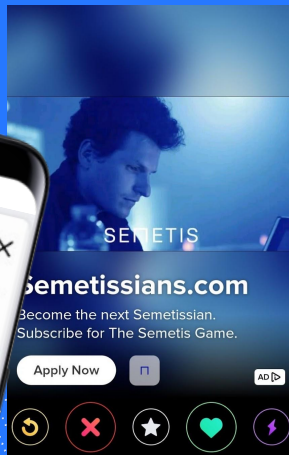

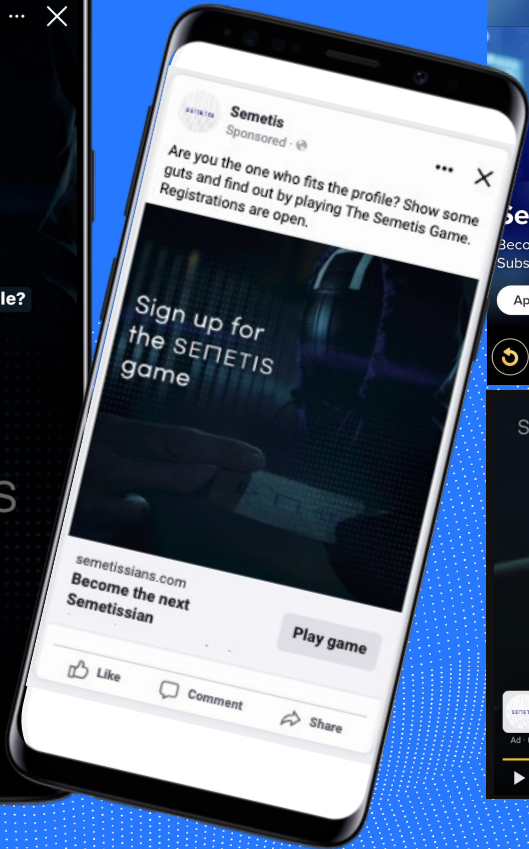

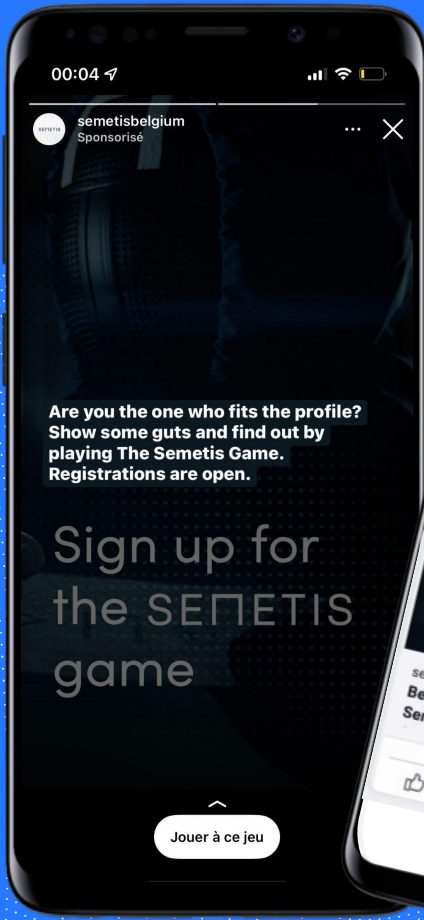

A person wearing a full-body blue protective suit, a hood, and a black face mask stands in a laboratory or industrial setting. They are holding a white bag with a small red tag. The background features a white wall with the word 'SENETI' in blue letters. The scene is lit with blue and purple light, and there is a grid of white dots overlaid on the image.

# Handing out cards

SENETI

I'LL

SUPPOSE EACH CARD HAS A LETTER ON ONE SIDE AND AN  
ICON ON THE OTHER. WHICH OF THESE CARDS ARE WORTH  
TURNING OVER IF YOU WANT TO KNOW WHETHER THE  
STATEMENT BELOW IS TRUE?

"IF A CARD HAS A VOWEL ON ONE SIDE,  
THEN IT HAS A GLOBE ON THE OTHER  
SIDE."
