

# CONSEILÀ 2 BALLES

# 

## CONTEXT

- Keytrade Bank aims to increase its visibility to young adults
- A lack of information leads to passive financial decisions among 18-34 year old
- Young adults often default to their parents' bank

# 2. SOLUTION

## HUMOR MEETS FINANCE

- Development of a unique Native & Content strategy
- Using **humor** to tackle serious topics like financial advice
- Involvement of a well-known, authentic
  Personality to attract young audiences

# 3. CONCEPT

## CONCEPT

The cheap advice is that person who thinks he's doing the right thing by giving you the most obvious or crappy advice

## CONCEPT

The cheap advice is that person who thinks he's doing the right thing by giving you the most obvious or crappy advice

## CONCEPT

The idea is to integrate Keytrade tips in a natural and subtle way on a content that would be created throughout the year.

We want to make people react, have fun while identifying good and bad tips.
