- 1st p data activation
- Post-campaign 1st p data push back for incremental CRM measurement

COFFEE CRM Nestlé

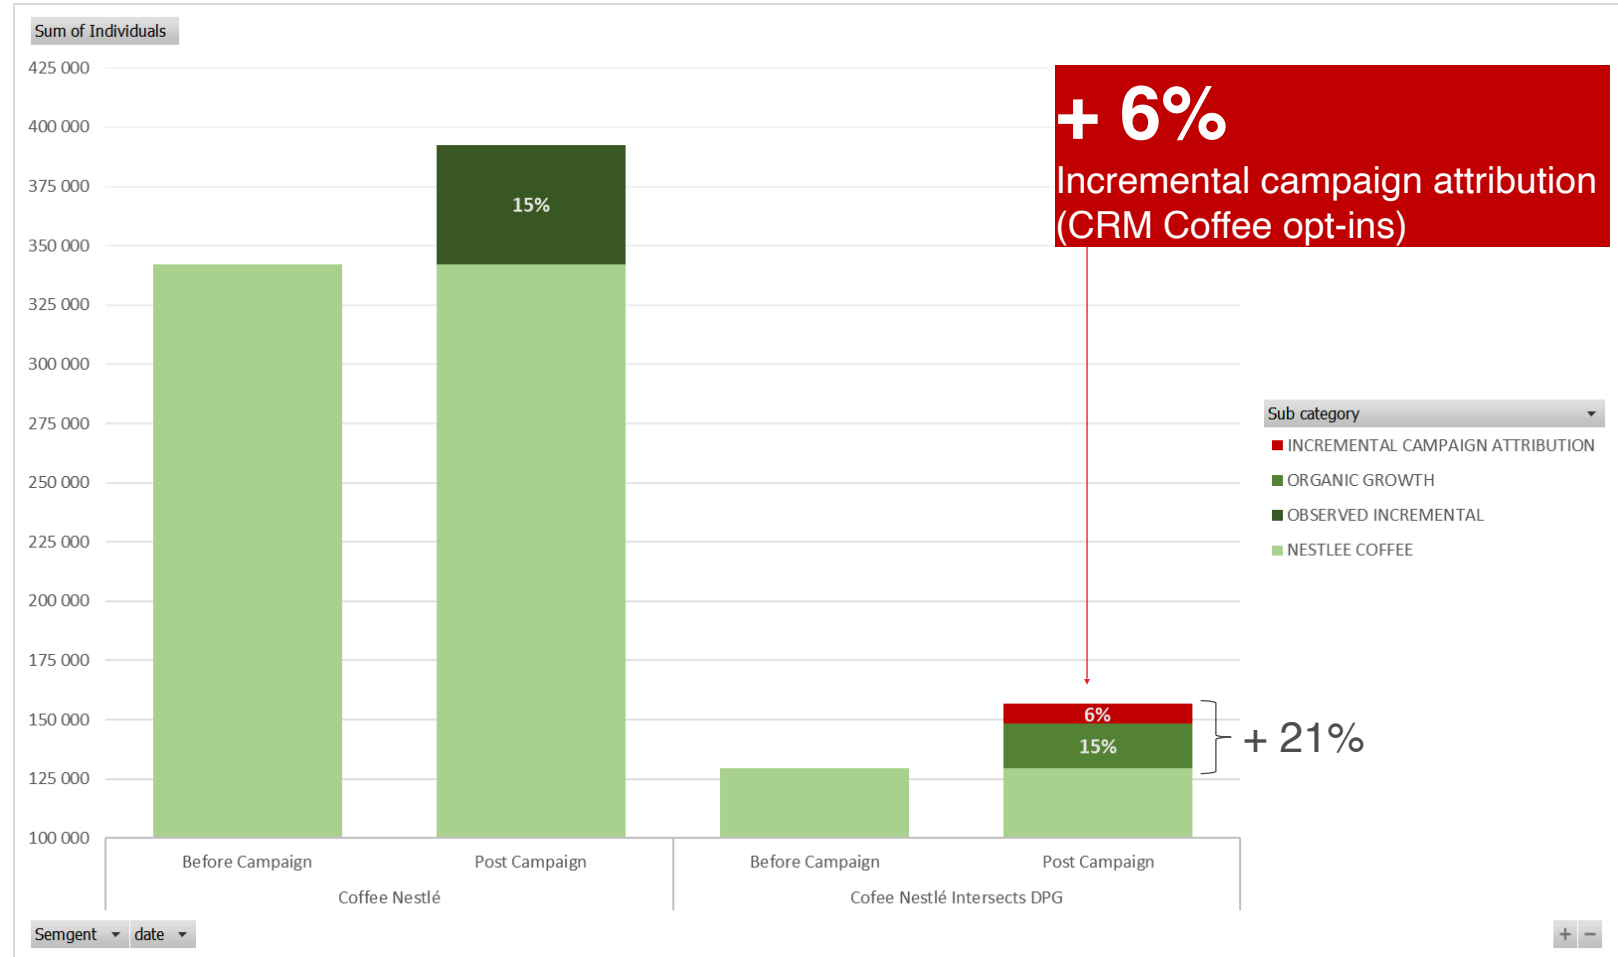

CRM EXPANSION RESULTS :

After this brief campaign, we were able to prove the increase of Nestlé's coffee category in their CRM with **15%**.

When looking at the intersection between DPG and Nestlé in the data clean room, we see a **21%** post-campaign increase for Nestlé coffee, **of which 6% is directly attributed to Nestlé's new coffee users who actually viewed the ad on DPG during this timeframe** (not including already existing clients).

« SIMPLE » & STRAIGHT FORWARD CAMPAIGN...

- Simple awareness campaign
- Simple Digital Video format
- Programmatic buy

THAT ACTIONS NEW TECHNOLOGY ANSWERING COOKIELESS WORLD & REGULATIONS CHALLENGES...

- Infosum Data Clean room
- Advertiser & Publisher(s) data bunkers
- Enables to activate CRM audiences and expand it via a secured environment (DCR).
- With benefits for both parties

PROVIDING DEEP AUDIENCE INSIGHTS...

- Thanks to Infosum Data Clean room technology & our Data Scientists
- As thanks to DPG publisher full collaboration
- Driving our targeting options in campaign

AND SETS UP NEW (SET OF) KEY PERFORMANCE INDICATORS
